

The moon is in the heavens, the stars are shining
A boat sails quietly on the sea.
A girl sings a song in a boat,
And the cossack hears, his heart dreams.

The song is sweet, the song is sweet,
All about love, all about love.
How we loved and parted,
Now we are reunited forever.

Oh eyes, eyes, girl's eyes,
Dark as night, clear as day.
You, my eyes, shortened my age,
Where did you learn to seduce people?
