

Galia's fetching water  
Yoke is bending knee-deep  
After her, Ivanko  
Twines like periwinkle

- Galia, my dear Galia  
Quench my thirst with water  
You are so pretty  
Let me at you wonder

- Down the well your water's  
Go and get your fill there  
I'll be in the garden  
Come and see your wonder

- I came to the garden  
Hollering was cuckoo  
But you, dear Galia,  
Me, you didn't humour

- Twine, you, periwinkle,  
Water will I give you  
Hey, come back, Ivanko  
Nice treat will I give you

How hard I twined you  
But you left me sore dry  
Often did I come back  
You ne'er gratified me

Galia's fetching water  
Yoke is bending knee-deep  
After her, Ivanko  
Twines like periwinkle.
